

VISIFLEX STRIP DOORS

Another product from the DMF range

The DMF Visiflex Strip Doors are a simple and cost effective door solution to create a good seal against loss of temperature, dust, noise and vermin control. We use only high quality PVC, manufactured to European standards with 100% DINP plasticizers only, s/steel fixings, and a "rust free" anodised alum head rail

No opening is too large or too small

Ideal for . . .

Supermarkets

Retail Stores

Hospitals

Kitchens

Pharma labs

Sound rooms

Welding Bays

Workshops

Custom-made to suit your application

www.dmf.com.au

Since 1967, DMF International has been creating only the best door systems for climate control for Australian and export markets. The VISIFLEX STRIP DOOR has been part of this great tradition.
